ACT(S) REGIONAL TREASURY MANAGEMENT CONFERENCE 2009 - SHOCK-PROOF YOUR FINANCE AND ENSURE RESILIENCY FOR THE FUTURE

What matters today?

As we come to the end of 2009, many will be reviewing the past year activities, evaluating the business directions and planning for short, medium and long term business strategies.

Given the paradigm shift in today's treasurers' role and the need to leverage every bit of information available in order to derisk that process, it is timely that we look at how to shock-proof your finance and ensure your plans are robust and resilient regardless of the landscape that unfolds next year.

At this event sponsored by J.P. Morgan, we will also be launching the 2010 Asia Treasurers Handbook - a must-have reference for treasurers. [Register](#) today to receive a complimentary copy at the event.
