

JOINTLY PRESENTS

THE CREDIT CRISIS – THE LOOMING IMPACT ON YOUR BUSINESS

Topic

- **THE PAST** – A short anatomy of how we got to this stage
- **THE PRESENT** – How do we keep on top of the current liquidity crunch and volatility in equities, foreign exchange and commodities?
- **THE FUTURE** – What are the current indicators showing the effects on the consumer, corporate and economy in the next few quarters? How we can hedge ourselves going forward.

Speaker

NITIN JAISWAL is Head of Application Specialists team for Asia. He is a regular guest speaker at industry events organized by the World Bank and market associations for FX, equities and fixed income across the region.
